4. Be Insured

You will be able to purchase Insurance in Australia. This is sufficient to get you started in Emotional Mind Integration work.

5. After your training

Emotional Mind Integration is an essential part of The international school of Hypnotherapy Diploma for Personal and Systemic Solutions.
This means you may do it as part of the diploma or do it as a practitioner course.

6. Supervision/mentoring

You may take part in supervision/mentoring to assist in your setting up and growth as a practitioner in individual and group sessions monthly.

You will gain Unique Emotional Mind Integration (EMI) Training

EMOTIONAL MIND
Integration

This EMI training is a comprehensive, in depth, study with experiential learning, practice with unlimited opportunities for personal healing, growth and transformation. I know that how you manifest as a practitioner is driven by your own growth, integration and compassion for yourself and others.

Your trainer is Yildiz Sethi,

A highly experienced Educator and the founder of Emotional Mind Integration EMI. She has a passion for imparting knowledge and skills and support for new practitioners in the field. She has a background as a former physics and chemistry teacher and has been a psychotherapist since 2000 and later a hypnotherapist and best-selling author.

You will be at the forefront of cutting edge psychotherapy for the 21st century with Yildiz

You may do other trainings that I offer to be able to work with systemic issues with the grace, ease and flow that you have become accustomed to in Emotional Mind Integration.
